

## Message from the Head of School

We are thrilled to update you on what has been a wonderful start to the new school term. The energy and positivity from both staff and students have been truly inspiring.

Our students have returned to school with great enthusiasm, embracing their studies and school life with hard work, dedication, and a strong sense of community. It has been heartwarming to see how kind and supportive they are being towards each other as we all settle back into the routine. We couldn't be more proud of their efforts!

We are particularly impressed with our new Year 7 students, who have adapted to secondary school life with ease. After some initial navigation, they are now confidently finding their way around the school and becoming part of the larger school community. It's wonderful to see them making new friends and feeling at home here already.

We must also commend all of our students for their smart and professional appearance. It's great to see everyone taking pride in their uniform, and we believe this reflects the positive attitude and motivation within the school.

As we move forward, we are excited for the term ahead, full of opportunities for growth and learning. We are grateful for your ongoing support and look forward to working together to ensure that your children have the best possible school experience.

Thank you once again for being a part of our wonderful school community

**Mrs K Gardner**  
Head of School

### Attendance

Congratulations to 3 lucky students who were selected from a draw of all students achieving 100% attendance this week, and have won a ticket to a Manchester United football game. One of the lucky students is Enya M, Yr 9, pictured with Mr McCann, Welfare Coordinator.
